LIP SYNC | Event Overview

Based on the concept of the HIT TV Show, our adaptation **Lip Sync LEGENDS**, one of our amazing **Lip Sync Battle Fundraisers**, gives your members the opportunity to perform as an Iconic Music Legend, New or Old. **40/50 Members** will get involved in **12-16 Acts**. Going Solo, or being a member of a Duet or Group, we can cater for all different Age Groups and Personalities to ensure everyone can get involved. From Iconic Solo Legends such as Freddy Mercury, George Michael, Elvis and Bruce Springsteen, to groups such as ABBA, The Weather Girls, and The Spice Girls, we have an Act and a place to suit all - No Talent Required!

LIP SYNC | Revenue Potential

The event is based on **40/50 Contestant's**, with **12 (Min) to 16 (Max) Acts**. Fundraising will consist of a mixture of **Club Fundraising** including Main Sponsors, Act Sponsors, and Advertisements in the Booklet, plus **Contestant Fundraising** including Act Sponsors, Sponsorship Cards, and Ticket Sales. The Winning Act on the night will be more likely to come from Successful Fundraising Contestants so this is very well incentivised for Fundraising for the Club. Usually a target of 750 Ticket Sales would be in place and a suitable Venue to cater for these numbers. Please see our Revenue Streams brochure for more information on Fundraising Revenue Potential from this Event. There is also the option of selling Non Attending (Support) Tickets which can increase your target Ticket Sales to around 1,000.

Take a look at some of the Clients who have produced a successful Lip Sync Fundraiser. We have produced dozens of amazing and profitable events in the last 10 Years.

LIP SYNC | Whitehall Colmcille GAA

Whitehall Colmcille ran a Lip Sync Fundraiser for the second year in row. I can't thank the Fundraising Events Group Team enough and the amazing MC on the night Rob Murphy. It was another huge success and we couldn't have done it without them. The night itself was ran so professionally . We would definitely recommend them to anyone. Thank you so much to the Fundraising Events Team from all at Whitehall Colmcille.

LIP SYNC | Naomh Oalf GAA

"Lip Sync Legends Fundraiser is the latest Fundraising Events we have run with Fundraising Events Group". Having already run Kube Challenge and JungleChallenge we knew we were in great hands for the Management, Media, and Production of our Event. It was a massive success, a high end Production, and really enjoyed by both Contestants and the Audience on the Night. Event Professionals that we trust in".

LIP SYNC | St. Patrick's Primary School, Bray

"Our Lip Sync Legends Fundraiser was a great success in terms of raising money for the school, but also in terms of the impact it had on the School Community and the audience on the night. People were genuinely taken aback by the quality of the Production and the Entertainment provided - this was in no small part due to the professionalism of the team at Fundraising Events Group".
